

Are you the authority on apples? A SPECIALIST in space travel? The *expert* on eagles?

A new game show for kids based on a popular podcast is looking for adults with comprehensive and authoritative knowledge and experience in a specific area to be expert panelists.

Kid contestants will try to decipher who is the real expert (you!) & who's faking it.

We're looking for everyone from astronauts to zoologists, & everything in between. If your work or experience gives you intimate knowledge of a subject, you could be right for our show!
